

# HERTSMERE ACADEMY OF DANCE & PERFORMING ARTS

## \* AUDITION PROCESS \*

Main Character parts and Cast Open Auditions will take place on the time and date listed on the INSPIRINGHERTS PRODUCTION page.

*Definition of Cast: Speaking parts, singing parts, non-speaking/singing parts, Chorus of characters who sing/dance/act.*

- Auditions are open to anyone from the community aged 4+ and the audition process is FREE. Castings of the parts will be awarded primarily on how the Auditions go. We are looking for enthusiasm and lots of energy! Anyone wishing to be part of the Cast **MUST** Audition on the day but if you miss the audition and still wish to be considered, please contact us to organise this.
- For Non members of Hertsmere Academy, on the audition day, please come and register at the front desk. **Please print off and bring with you the audition form below.** Wear something that you can move in, plus dance shoes/plimsolls. The audition process is free and auditionees need to be prepared to stay for the whole duration if necessary on this day but non members can leave after the audition is completed. Any parents who need to wait for their children will have a waiting room available.
- Members of Hertsmere Academy Saturday Theatre school will be doing their normal Saturday classes, therefore the normal weekly rate will apply and you need to arrive at 10am as usual. The audition will take place sometime throughout the day. **Please print off and bring with you the audition form below.**
- Applicants will be divided into age ranges and will be given a role specific audition. A fun workshop will be happening for auditionees whilst they are waiting for their audition slot. No-one other than the judging panel may enter the audition zone OR talk to the adjudicators about the audition or outcome.
- Auditionees will be required to learn a short dance routine, song and drama piece. This will be taught to everyone and so you do not need to prepare anything.
- If you are an older student going for a Principal role and would like to show us your own piece (specific to the genre of the musical) which combines singing, dance, acting or other special talent like acrobatics, juggling, etc... we would love to see it. (Time limit 90sec) Any accompaniment or music must be brought with you. We can then take this performance into consideration.
- We try our best to give every child the opportunity to take part in the show but this cannot always be guaranteed. Parents will be emailed confirmation of acceptance into the cast and the Principals will also be notified of which role they have been cast, this is non negotiable! If you have not heard from us after 48hours there maybe a technical error or unclear contact information, so email [cj.danze@hotmail.co.uk](mailto:cj.danze@hotmail.co.uk) , stating the Auditionees name and we will get back to you asap.
- Full Payment must have reached us by the deadline stated on the front page for you to be considered as a performer in the show.

Good luck!
